

CT-04 Student's Feedback Form

Student Name:
Department:
Field Supervisor:

Student ID:
Organization Name:
Academic Supervisor:

Please, put (√) in the appropriate rating for each feedback criteria.

N	Feedback Criteria	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
First: Knowledge and Skills						
1	The training was directly linked to my major.					
2	I learned and practiced operational knowledge.					
3	I thought that the training helped me in bridging the gap between theory and application.					
4	I learned many skills that would be useful for my career.					
5	The training enabled me to apply and practice many tools and skills that I have acquired during my study.					
6	I applied communication skills to deal with different levels of professional relationships.					
7	This field experience helped to gain a better understanding of business jobs (such as management, marketing, human resources etc.)					
Second: Academic Supervisor						
8	The university provided us with specialized academic supervisors with valuable field experience.					
9	The academic supervisor oversaw the training in coordination with the field supervisor.					
10	The academic supervisor had a great role in the success of the training program.					
11	The academic supervisor was available in specific times during the training program.					
12	The academic supervisor helped the student to overcome any problem during the training.					
13	The academic supervisor respected the announced requirements that are related to the process of trainees' evaluation.					
14	The overall quality of academic supervision was					

	satisfactory.					
Third: Field Supervisor						
15	The field supervisor discussed the important elements that are related to the training program at the start of the training.					
16	The field supervisor was willing to deal with the trainee-students.					
17	The field supervisor provided the needed supervision and feedback for the student' s tasks.					
18	The field supervisor helped the student to overcome any problem during the training.					
19	The field supervisor had a great role in the success of the training program.					
20	The overall quality of field supervision was satisfactory.					
Fourth: Training Provider						
21	The organization matched with my capabilities and my expectations.					
22	The organization was flexible in choosing tasks and assigning duties.					
23	The organization took great care of the student and his benefit from the training.					
24	The organization heavily relies on the student to run the daily work.					
25	I was well integrated within the training environment.					
26	The training atmosphere was positive and encouraging.					
27	I recommend continuing with this organization to provide future training opportunities.					
Fifth: Other Comments						

Filled out by the student and handed to the academic supervisor
